

Aggarwal College organises 7 day long first aid health checkup camp

Ballabgarh : The 7 day long professional First Aid Health checkup Camp being conducted from 5th April, 2018 concluded recently in Aggarwal College Ballabgarh held under Youth red

Cross Society Faridabad and Saint Joan Ambulance Association Faridabad with the Valedictory Ceremony. The Chief Guest of the Ceremony was Principal Dr. Krishan Kant. 30 selected Volunteers of Youth Red Cross of the college participated in this

camp. The Chief Trainer Sh. Darshan Bhatia told that the main aim of this camp is to give first aid training to these volunteers so as to meet any emergency. Programme coordinator Dr. Jaypal Singh told that in this camp various instructions regarding fractures, fire ascendent, drowning, unconsciousness, accidents, insect bites etc. were ministered to the volunteers during lectures held during the camp. Volunteers were also motivated for blood donation and eye donation. Students were then tested through a written exam. Principal Dr. Krishan Kant congratulated the three coordinators - Dr. Jaypal Singh, Dr. Vinod Rathi & Mr. Lovekesh for the successful organisation of this camp.
